**SURVIVAL GUIDE**  
NOW AVAILABLE

It is the duty of every landlord to keep current on Massachusetts Landlord Tenant Laws. Ignorance is not bliss. The Guide is both thorough and easy to follow making complex issues readily understandable by landlords, property managers, brokers and investors alike.

**IF YOU'RE A LANDLORD OR PROPERTY MANAGER YOU'D BETTER KNOW THE ANSWERS TO THESE QUESTIONS:**

- Can you ask rental applicants what country they're from?
- Can tenants be required to carry liability insurance?
- Can a victim of domestic abuse break her lease?
- Must a tenant be notified that a lease won't be renewed?
- Can tenants be charged for breaking a lease?

*Each of these questions involves issues which have arisen during the past four years and are fortunately covered in the new edition of the Massachusetts Landlord Survival Guide, written by Philip Lapatin and published by the Greater Boston Real Estate Board. All of the answers you need are there, in the same easy to understand style which has earned this book a place on the desks of thousands of landlords, property managers, brokers and investors. You truly can't afford to be without it.*
