

Job Title: Senior Analyst

Department: Lending

Location: Boston

Bank overview:

Anglo Irish Bank is a focused business bank providing Business Banking, Treasury and Private Banking services. Our customers deal directly with a dedicated Relationship Manager who delivers a high quality service in their field of expertise.

Key tasks & responsibilities:

- Assist in the preparation of reports and the analysis of information required for submission to Credit Committee and/or Senior Management
- Compose deal summaries, credit applications, memos, and other critical write-ups in relation to both new and prospective deals
- Provide support to the Loan Closing Group with due diligence during loan closings, including the review of appraisal, environmental, and property condition reports, general liability and property insurance certificates, money laundering compliance documentation, estoppel certificates, SNDAs, and personal / business financials.
- Analyze borrower covenants
- Review 3rd party, appraisal and legal documents
- Liaise with both customers and the Bank's professional advisors
- Periodic Site visits

Skills / experience required:

- Minimum of 3 years banking or finance related experience
- Bachelors Degree required
- A working knowledge of Argus
- Excellent Microsoft skills including Word, PowerPoint, Excel etc.

Competencies required:

- Strong communication and organisational skills
- A high level of accuracy and an eye for detail
- Willingness and ability to learn and train others
- Ability to prioritise, work under time constraints and meet deadlines
- Team player
