He has been featured on the cover of Real Estate New York and "people to watch" in the New England Real Estate Journal. He was named 2012 BOMA executive of the year. Having graduated from college at age 19, he went on to earn masters degrees in Education, Accounting, Business and Taxation.

He is honored to be a BOMI instructor for several decades.

REAL ESTATE INVESTMENT & FINANCE

4-Day Accelerated Course

SEPTEMBER 12, 12, 19, 20

Reservoir Place, 1601 Trapelo Road, Waltham | 8:30 AM - 5:00 PM

Through this course you will learn to take charge of real estate investments in order to maximize the value of a property. You will develop knowledge about basic financial concepts as they relate to real estate, including valuation, analysis, taxation, depreciation, and life-cycle costing. Similarly, you will learn to evaluate real estate investments and to develop budgets that estimate net operating income. You will study the income capitalization approach and cover property taxation costs and strategies to offset these costs. You will also gain the skills to conduct discounted cash flow analyses and calculate net present value and internal rate of return. This course features exercises that require the basic use of the HP 10bII* financial calculator.

Major Topics

Asset valuation & enhancement | costs & taxes | capitalization | site and building analysis | the appraisal process | discounted cash flow measurement | ownership vehicles | the basics of lending & current lending practice
