

TECH TOUR: DEER ISLAND

FRIDAY, APRIL 6, 2018

Deer Island

9:30am—11:30am

Please wear comfortable shoes, as this event will be outdoors with a lot of walking.

Please note, if the weather conditions do not cooperate, the alternative date for this tour will take place on Friday, April 20th.

BOMA Boston Presents

TECH TOUR: DEER ISLAND, BOSTON

Join BOMA Boston Engineers for a tech tour of the Deer Island Campus and Water Treatment Facility.

Tour Will Include:

The tour will begin with a one-hour Down the Drain presentation. This is an interactive presentation that answers the questions: What is wastewater? ...Where does it come from and where does it go? The presentation depicts each stage of the wastewater treatment process.

After learning the basics of wastewater treatment, the tour will begin in the historic pump station, where attendees learn about the history of Deer Island. The group will then visit the South System Pump Station, Digester Road, and the disinfection/discharge area.

The capacity for this tour is 25 people—make sure you register early!
