

Tech Talk: Code Updates & Construction Fire Safety

NETWORK | EDUCATE | INNOVATE

MAY 15, 2019
100 High Street
9th Floor
Boston, MA 02110

8:45 am: Registration & Networking

9:00 am -10:30 am: Program

Please be prepared to bring questions to participate in a discussion and active Q&A.

You may also send questions in advance to Kayla Burmeister at kburmeister@gbreb.com.

Speaker:
Lt. Paul Fitzpatrick
Boston Fire Department, Construction Safety Unit

Join the BOMA Boston Engineers as they host a discussion with Lt. Paul Fitzpatrick with the Boston Fire Department’s Construction Safety Unit. There will be a focus on the current state of construction in the city and requirements to be aware of, also including but not limited to

- Top violations happening in the city and how to avoid them
- Changes and Requirements of NFPA241
- Project Specific vs. Building Specific 241s
- New State Requirements vs. Boston Requirements
- Updates and changes in regulation coming up—how to prepare
- Hot Work Permits & other permitting questions

This event is open to all members and non-members—please bring your questions and join us!
