***If you are ready to unleash your potential it's time to start your career with Manulife/John Hancock.***

### **About Manulife**

Manulife Financial Corporation is a leading international financial services group that helps people make their decisions easier and lives better. We operate primarily as John Hancock in the United States and Manulife elsewhere. We provide financial advice, insurance, as well as wealth and asset management solutions for individuals, groups and institutions. At the end of 2017, we had about 35,000 employees, 73,000 agents, and thousands of distribution partners, serving more than 26 million customers. As of September 30, 2018, we had over \$1.1 trillion (US\$863 billion) in assets under management and administration, and in the previous 12 months we made \$27.6 billion in payments to our customers.

Our principal operations are in Asia, Canada and the United States where we have served customers for more than 100 years. With our global headquarters in Toronto, Canada, we trade as 'MFC' on the Toronto, New York, and the Philippine stock exchanges and under '945' in Hong Kong.

Manulife is committed to supporting a culture of diversity and accessibility across the organization. It is our priority to remove barriers to provide equal access to employment. A Human Resources representative will consult with applicants contacted to participate at any stage of the recruitment process who request an accommodation. Information received regarding the accommodation needs of applicants will be addressed confidentially.
