Who We Are

The Building Owners and Managers Association of Boston (BOMA Boston) was founded in 1917 and represents commercial real estate professionals in Greater Boston who own, manage or service commercial real estate. BOMA Boston has over 680 members representing over 200 million square feet of real estate in the Greater Boston area. BOMA Boston is a federated affiliate of BOMA International and is the 3rd largest local affiliate out of 91 affiliates. BOMA Boston is one of five divisions of the Greater Boston Real Estate Board.

Mission

To promote excellence in commercial real estate ownership, management, and operations.

Vision

To be a leader in commercial real estate, providing members with the resources to thrive in the ever-changing industry

“My BOMA membership has been a very rewarding experience for me. During my 15+ years as a member, I have developed many long term relationships through committee, board, and event participation. These relationships and BOMA’s offerings are a constant valued resource for my career. Early in my membership, I received my RPA designation and found the instructor-led courses to be a strong foundation for my roles within the industry. BOMA advocacy efforts both locally and internationally address important industry issues, and knowing that information first has been truly valuable to me.”
