## INDUSTRY

"Being a member of BOMA for the past 13 years, participating on committees and on the Board of Directors has been invaluable and imperative to my career. BOMA has provided opportunities to connect and network with like-minded professionals who share similar interests and challenges across all service lines in CRE. This has led to valuable business relationships, partnerships, and collaborations. BOMA has provided me access to resources, tools, and information that have helped me navigate challenges and stay informed about industry developments. This has included research reports, benchmarking data, and industry publications. I am truly grateful for my membership in such a great community here in Boston!"
