Who We Are

The Commercial Brokers Association (CBA) represents over 400 members in the commercial brokerage community throughout Massachusetts. CBA is committed to providing relevant educational programs, promoting professionalism and cooperation, and creating an atmosphere where knowledge and ideas are easily exchanged.

“Being a member of CBA has been an extremely rewarding experience for me. CBA provides relevant, timely programs and education, leadership development opportunities for women and future Leaders, recognition in the industry and valuable networking opportunities. I’ve made many meaningful connections and built lasting relationships by participating in CBA.”

John Dolan

SVP, McCall & Almy | 2018 CBA President

Benefits of Membership

Networking & Events Connect with peers at industry events. CBA hosts over 10 events per year including industry panels, networking nights, sporting & social events, the CBA Achievement awards, and more.

Charitable Events CBA members come together to support local charitable causes, especially those that affect housing and homelessness. Annual events such as the Charitable Golf Outing and Softball tournament help raise funds that go back into our communities.

CBA Achievement Awards CBA’s premier and largest social engagement of the year, awards are presented in the areas of industry excellence. Categories such as McCall leadership award, Landlord of the Year, Rising Star, and Deals of the Year are judged by a panel of industry experts and awarded the night of the awards.

Membership Directory Use our members only membership directory to find one of our 400 members’ contact information.

Committees Join a committee to optimize your CBA Membership by shaping our programs and events, networking and building relationships, and enhancing your leadership skills. CBA offers five different committees to join: Membership & Marketing, Diversity & Inclusion, Programs & Education, Charitable Giving, & Golf.

Education and Training All courses follow curriculum approved by the Massachusetts Board of Registration and are tailored to the commercial, industrial and retail segments of our industry. CBA offers programs and seminars of topical interest throughout the year. These programs feature industry professionals discussing current real estate issues.

Advocacy The Greater Boston Real Estate Board provides legislative and regulatory advocacy on matters that impact the commercial real estate industry locally and state-wide.
