Atlantic Management

Join us for the 2023 CBA Real Deal: Tough Tech/ Advanced Manufacturing and Its Impact on the CRE Industry. Immerse yourself in a keynote presentation by Emily Knight, President of The Engine (built by MIT) and operator of The Engine Accelerator. Learn what is driving the tough tech market sector and unlocking massive opportunities in climate change, human health and advanced systems in Massachusetts and across the country.

Continue the discussion with our panel led by industry experts discussing the profound impact of tough tech and advanced manufacturing on the local real estate market including the depth of Tenant demand, their specific requirement needs and how the market is adapting to accommodate it.

CBA & GBREB Division Members \$60

Non-Members \$80
