

# Manageable Mondays

GBAR wants to make your life easier by offering Manageable Mondays: our convenient, hassle-free way to earn CE credits from the comfort of your own home and/or office! These webinars are free to GBAR members! (\$20.00 Non-member price) Webinars are held on Mondays from 9:00AM-11:00AM. 2CE Credits per Webinar.

*All Windows and Mac attendees will be directed to the no-download, browser-based platform regardless of operating system. This means that they will join the webinar entirely through their web browser, without needing to download the GoToWebinar software! This will make the log in process faster with few errors. It also eliminates the possibility of someone improperly joining the webinar through the dial in number only. (please note once logged in the dial in number will be available for those that use it due to connectivity issues). Mobile attendees will still join using the GoToWebinar app on their device.*
