

Real Estate Negotiation Expert

Course Description

Real Estate Negotiation Expert (RENE) is the FIRST and ONLY negotiating certification recognized by the National Association of REALTORS®. This three-day course is an interactive experience to help negotiators elevate their game! ■ **Session 1, The Power Negotiator’s Playbook**, examines all types of negotiation formats and methods so that today’s negotiators can play the game to win. A full spectrum of tips, tools, techniques and advantages will be provided so that negotiators can deliver effective results for their clients. ■ **Session 2, Advanced Field Negotiations**, focuses on real-world field scenarios to help negotiators apply the powerful practices, procedures and techniques learned on the first day. Understanding the tactics and techniques is one thing, but learning how to recognize them being done and using them effectively requires practice. These field scenarios provide the foundational experience and practice negotiators need to master so they can effectively advocate for their clients.
