

## **Virtual Continuing Education Attendance Requirements**

It is GBAR's intent to present our members with the best virtual learning experience possible. We will comply with the continuing education requirements set forth by the Massachusetts Board of Registration of Real Estate Brokers and Salespersons and the Greater Boston Real Estate Board's Center for Professional Development.

We will strictly enforce the following virtual classroom etiquette.

### **You MUST:**

- attend with your camera on and remain visible
  - must be indoors
- remain stationary and keep your camera stationary
  - not be driving or riding in a vehicle
- be logged in on time and present in the above conditions

We want to make the experience of attending a virtual course the same as if you were in a physical classroom. Please minimize distractions and be present. Do not take or make calls or texts, converse with others at your location, or engage in any other activities in your home/office (such as: cooking, exercising, laundry, etc.).

If you need to step away for 1-2 minutes, kindly send a chat to the GBAR Staff who are monitoring the course and please be as quick as possible.

### **Failure to comply will result in:**

No receipt of continuing education credit (CEU) and Staff will remove you from the class.
