### We're hitting the road on the GBAR RealTour!

On our Winter RealTour, we're pleased to have Craig Foley, LEED Green Associate and Chief of Energy Solutions at RE/MAX Leading Edge, on hand to inform our members about best practices for listing energy-efficient, high-performance homes, and strategies for how to implement a sustainability program at your brokerage. Our program will also feature Lynne Bagby, a division manager at Asset Preservation, Inc., who will lead a discussion regarding implications the federal tax reform bill will have on residential real estate.

This is important information for you and your business that you don't want to miss!

**All sessions are free of charge, include a continental breakfast and run from 9:30 a.m. to 11:30 a.m.**
