Saving you an estimated cost of \$1100+

Enhance your professionalism and industry knowledge with these member resources:

REALTOR® designation and certificate courses offer training in specialty areas of real estate practice to enhance your industry knowledge and business skills, while also providing credentials that give you a professional edge over the competition

Our Broker Counseling Services provide interpretations of law, regulations and the REALTOR® Code of Ethics via legal hotlines administered by the Greater Boston and the Massachusetts Associations of REALTORS®. Additionally, GBAR Legal Live Webinars offer a forum to discuss licensing law and real estate industry best practices.

GBAR's monthly Market Insights reports, along with an interactive dashboard with custom search capability, provide comprehensive data on the single-family, condominium, and multifamily housing markets in nearly 90 communities in Eastern Massachusetts.

GBAR's Agent Insider and Broker Briefing e-newsletters, and REALTOR® magazine, will keep you informed about new and innovative sales and marketing strategies, the latest market trends, and important laws, court decisions, and industry issues affecting your business.

Build your business and advance your career with these REALTOR® benefits:

REALTORS® Property Resource, a national database of public records data and information for all homes, commercial property and land parcels in the U.S. that has been integrated with active and off-market data from participating MLSs and features a property valuation tool –all available exclusively to REALTORS®.

Activate your complimentary **enhanced agent profile page** and the new RealRatings™ & Reviews feature **on REALTOR.com** to build your brand and effectively manage your online reputation.

Exclusive use of the REALTOR® term and logo, a brand that allows you to distinguish yourself as a professional who adheres to the highest standards of ethics in the real estate industry.

Annual REALTOR® Conferences & Trade Expos presented by the Greater Boston, the Massachusetts and National Associations of REALTORS®, plus dozens of additional meetings, seminars and networking events at which you can build your referral network.

Our free RealTour member meetings, along with Global Council programs, our Industry Affiliate social events and Young Professional Network activities, allow you the opportunity to learn from peers and also make new business connections that will help grow your referral network.
