Mission

To promote rental housing by advocating, educating and collaborating for the betterment of the industry, our members and the communities we serve.

"I would recommend a membership with MAA to anyone trying to learn and grow within the apartment industry. In my years with ServiceMaster by Gilmore I have found incredible value in the networking, educational events, and resources this group has provided. In addition to enjoying the MAA events and building friendships, I have also had tremendous professional opportunities as a result of MAA involvement."
