**TUESDAY, DECEMBER 5, 2017**

Registration 7:45 a.m. | Program 8:00 – 9:15 a.m.

Location: Nutter, 155 Seaport Blvd., Boston

East Boston, an area well known for its home to Logan International Airport, has recently earned a reputation for its fast-paced growth, development and quick access to Downtown Boston. From the recent Suffolk Downs chatter surrounding Amazon's HQ2 to the continuous pop-ups of new residential housing and retail amenities, it begs the question of what the future will look like for this rapidly changing neighborhood and the surrounding area.

Join REFA as our experienced panel discusses the details behind the advancements of the East Boston market and its impact on the existing neighborhood and the city of Boston.
