## A Conversation with Maureen McCaffrey, *Director*, MITIMCo

**WEDNESDAY, MARCH 21, 2018**

Babson College Meeting Space, 100 High St., 1st Floor, Boston

11:45 a.m. Registration & Networking | 12:00 p.m. - 1:15 p.m. Program

We hope you can join REFA for our first Women's Roundtable program of 2018. Maureen McCaffrey, *Director*, MITIMCo will lead an interactive discussion based around the "Speaking While Female: Sheryl Sandberg and Adam Grant on Why Women Stay Quiet at Work" article. Participants are encouraged to read the article prior to the program as the group will spend the majority of the meeting discussing article take-aways.

Formed in 2015, REFA's Women's programs are held throughout the year as a chance for women to network with one another and hear from prominent female leaders within the real estate finance community.
