DIVISION OF CAPITAL ASSET MANAGEMENT & MAINTENANCE

DCAMM IS HIRING!

DCAMM is the state's capital projects agency. We are responsible for capital planning, public building construction, facilities management, and real estate services for the Commonwealth. We work with state agencies to create and manage forward-thinking, sustainable buildings to enable our agencies to meet the needs of the citizens they serve with fiscally responsible building and real estate solutions.

We have several open positions for senior managers in our planning, design and construction, and real estate departments. This is an exceptional opportunity for experienced professionals to use their planning, engineering and real estate skills on complex, high impact programs and projects in public health, criminal justice and public higher education.

Current openings and links to full position listings are below.

Office of Planning

Project Managers in OP take the lead in agency master planning and project initiation. The Project Manager will lead teams of planning and design consultants, DCAMM colleagues and user agency representatives, as well as other stakeholders, to develop creative and strategic solutions to capital facility needs. Hiring Manager: Deputy Commissioner Liz Minnis – liz.minnis@state.ma.us

Office of Design and Construction

Director of Project Delivery is a newly created position for a senior manager to oversee a portfolio of design and construction projects, with a total value of $500M; we hope to fill two positions. These Directors will function like a Project Executive, with a holistic responsibility for programs and projects across a Secretariat. In addition to overseeing projects underway, the Director will be responsible for front-end planning of capital projects, working closely with the Office of Planning and the client/user agency in defining project scope which best meets the need given budgetary constraints. Hiring Manager: Deputy Commissioner Jay Mitchell – Jayson.mitchell@state.ma.us

Office of Real Estate Management

Senior Project Manager is responsible for developing strategy and implementing real estate redevelopment projects. The SPM will be a key participant in the Governor's inter-agency Open for Business Initiative and will be a leader in the development of creative and feasible approaches to maximizing use of state-owned real estate. This is an opportunity to bring real estate experience and creativity to advancing some of the Commonwealth's key priorities, such as housing production, job creation and public health initiatives. Hiring Manager: Deputy Commissioner Beth Rubenstein – beth.rubenstein@state.ma.us
